Statutory Position Holder Units of Competency

TNLC Thrivability Training and Coaching have been offering risk management units as part of their Cert IV SEO, Diploma SOM, and Adv Diploma of Metalliferous Mining qualifications to the mining industry in Western Australia for over 18 years. With the implementation of the WHS Act 2020 and WHS(Mines)R 2022 these risk units have become compulsory for some Statutory Positions.

What is being offered:

Unit	Duration	Who needs it?
BSBWHS411	1 Day	U/G supervisor (non-coal and coal) Restricted quarry manager, Statutory supervisor, Mine air quality officer, Noise officer, Electrical supervisor.
RIIRIS402E (Day 1) (Risk and Facilitation theory)	1 Day	U/G supervisor (non-coal and coal) Restricted quarry manager, Statutory supervisor, Mine air quality officer, Noise officer, Electrical supervisor
RIIRIS402E (Day 2) (Skill development)	1 Day	U/G supervisor (non-coal and coal) Restricted quarry manager, Statutory supervisor, Mine air quality officer, Noise officer, Electrical supervisor.

Who should attend:

Anyone who is looking to hold a statutory position under the new WHS Act 2020 and WHS(Mines)R 2022 legislation in the near to medium future. Note, if you already have any of these units awarded after 1/1/2018 you will not need to repeat them.

Dates:

(WHS Statutory Positions UoC requirements)	Date
BSBWHS411 Implement and monitor WHS policies, procedures and programs	Tuesday March 18th
RIIRIS402E Carry out the risk management process (Day1)	Wednesday March 19th
RIIRIS402E Carry out the risk management process (Day2)	Thursday March 20th

Costs (Course manuals, all day coffee and tea, lunch):

BSBWHS411- 1 day training, assessment and statement of attainment - \$875.00

RIIRIS402E – 2 days training, assessment and statement of attainment - \$1,475.00

RTO:

These are nationally recognised training units and a "Statement of Attainment" will be issued by TNLC Thrivability Training & Coaching (RTO: 51358) on completion of the unit assessments.

Course Facilitator:

Trevor N Little (FCMM and Risk Facilitator - 40 years of experience in mining)
